### **Creation and Management**

George S. Yacoubian, Jr. began the adoption process in Armenia in 2005. Throughout the spring and summer, he went through home study and various levels of domestic governmental approval. While in Armenia during the summer of 2005, George saw Liliana for the first time. He submitted Liliana's adoption dossier to the Armenian government in the fall of 2005, received preliminary approval in December 2005, and obtained final adoption approval in March 2006. Liliana Sara Yacoubian, the inspiration for SOAR's work, arrived in the United States on April 23, 2006.

George S. Yacoubian, Jr. founded the Society for Orphaned Armenian Relief (SOAR) in the fall of 2005 as a charitable organization that provides humanitarian relief to orphaned children living in Armenia. Dr. Yacoubian has served as SOAR's Executive Board Chairman since 2005 and provides oversight and guidance to all SOAR operations worldwide. In early 2006, an experienced and talented Board of Directors was assembled, a network of Partners in Armenia was recruited to assist with distributions, and the web site was launched. Between 2006 and 2008, SOAR established itself as the only charitable organization whose singular mission is to provide humanitarian assistance to orphaned Armenians around the world.

In late 2007 and early 2008, SOAR launched its first two Chapters – in Los Angeles and Washington, DC. In 2009, a National Board of Trustees was created to annually review

SOAR's fiscal operations and distributions. In 2010, SOAR launched its Sponsorship Fund, which today is the primary mechanism through which individual and familial needs are addressed. Since 2005, SOAR's work has impacted thousands of children across a multitude of constructs, with the penultimate goal to provide institutionalized and otherwise marginalized children with the same educational, emotional, medical, and social support as their non-institutionalized counterparts.

Represented by 150 Chapters, 4 Junior groups, and more than 600 volunteers worldwide, SOAR supports 34 institutions – orphanages, special boarding schools, day centers, transitional centers, and summer camps – in Armenia, Javakh, and Lebanon. Chapters contribute to SOAR's mission in a variety of ways, from traditional fundraising to Program development to professional expertise. The common bond among members of the SOAR family is the unwavering belief that orphaned children and orphaned adults with disabilities represent the most vulnerable population of Armenian society.

SOAR prides itself on creativity, cross-cultural respect, fiscal responsibility, and transparency. During the past 20 years, SOAR's reach has expanded considerably. In 2006, distributions totaled approximately \$60,000.00. Since 2015, SOAR distributions have exceeded \$1M annually. Our efforts not only address the major humanitarian constructs of education, emotional and psychological support, nutrition, health and hygiene, dental and

vision care, and fundamental human rights, but our Programs offer curricula on a multitude of topics that stimulate intellectual curiosity, empowerment, and enrichment.

SOAR is blessed with a dedicated and selfless cadre of supporters who share our short-term aspirations and long-term vision. We are faced with an enormous responsibility. Our greatest trepidation is not inadequacy or a belief that we are ill-equipped to assist the children and families we have embraced as our own, but rather that we have influence beyond measure. Our approach is grounded in a compulsive desire to assist the abandoned, the sick, the impoverished, the abused, and the forgotten. As SOAR's light shines, we hope that we are giving the orphaned Armenian population the will to do the same.

### **Quality Control**

SOAR has a strict quality control protocol to assure that all donations, in their entirety, reach the intended recipients. This protocol has ten primary elements:

1. SOAR rarely makes cash distributions directly to the institutions. Rather, goods and services that can be procured in Armenia are purchased by SOAR staff and distributed directly to the orphanages.
2. SOAR uses Microsoft Planner to retain receipts, pictures, and internal documents.
3. All purchases are memorialized with a receipt or invoice.
4. SOAR implements chain-of-custody procedures for all distributed goods or services to assure that items have been received in the exact quantity intended. The recipient provides written documentation to indicate that the goods and services received are the quantity indicated, after which this documentation is sent to SOAR National and retained in Microsoft Planner.
5. SOAR staff, Chapter members, and other volunteers who visit Armenia make random inspections of the institutions. Discrepancies are to be reported immediately to SOAR's Executive Board Chairman.
6. When possible, donations provided by SOAR are engraved and/or stamped with a corporate seal.
7. Capital projects are acknowledged with a plaque and/or dedication ceremony.
8. SOAR never allocates or transfers funds to other organizations to distribute on our behalf.
9. A zero-tolerance policy for fraud, theft, and/or deception is imposed. Malfeasance would result in the termination of assistance.
10. IRS Form 990s are filed annually, with Annual Reports dating back to 2005 available on our website.

### **The Harold and Josephine Gulamerian Armenian Orphan Fund**

Originally from Van (Armenia), Harold Gulamerian was born to immigrant parents in 1924. Harold joined the army in 1943, and, after the war, went to City College to earn a degree in science and business administration and then a law degree. When Norman, Harold's brother, returned from the service, he apprenticed himself to artist Frederick Taubes (1900-1981). He primed his canvasses and grounded his paint. Norman, an artist himself, was having trouble finding unprimed linen. Harold suggested they import it from Belgium. That was the start of Utrecht Art Supply.

Harold and Norman sold linen out of their basement in Brooklyn. The two brothers dedicated themselves to supplying artists with the "highest quality art materials and supplies for the best value." In 1951, they rented an office at 119 West 57<sup>th</sup> street. The Gulamerian brothers' art supply business grew quickly. In 1957, they developed their revolutionary acrylic gesso for priming canvas. In 1958, they rented factory space at Bush Terminal in Brooklyn. By the end of the early 1960s, they had expanded the Utrecht line to include professional-grade oil paints, acrylics, and watercolor supplies. In 1968, they opened their first retail store at 32 Third Avenue in New York City. They then opened locations in Philadelphia, Boston, Chicago, Detroit, Washington DC, Berkeley, and San

Francisco. By the time they sold their business in 1997, they had grown from a small space in Bush terminal to 50,000 square feet and an additional 50,000 square feet of retail space.

Mr. and Mrs. Harold and Josephine Gulamerian visited Armenia in 1998 at the invitation of Catholicos Karekin I. The Gulamerians were very moved by this visit, especially by the orphaned children they met. Established in 2013, The Harold and Josephine Gulamerian Armenian Orphan Fund (GAOF) is dedicated to improving the lives of orphaned Armenians throughout the world. Through a cooperative agreement with SOAR, the Foundation provides support to orphaned Armenians in Armenia, Artsakh, Javakh, and Lebanon.

The investment in Dr. Yacoubian was made beginning in 2019 with the hope that additional revenue would be generated, the projects and programs from which would be attributed in part to the Gulamerian legacy. We are happy to report that this full-time, grant-funded position yielded significant revenue increases. Revenue from SOAR's Sponsorship Fund, which is the primary mechanisms through which SOAR provides support to specific orphaned Armenian children, has increased significantly: from approximately \$206,000 in 2018 to nearly \$400,000 in CY2023. External funds, which Dr. Yacoubian has made a priority since 2020, were received by the Albert Tamberchi Foundation (\$42,847.74) and the Jirair and Elizabeth Hovnanian Foundation (\$150,000.00). These awards, and SOAR's overall increase in distributions since 2018, would not have been possible without the trust of the GAOF Directors,<sup>1</sup> who generously support SOAR's salaried personnel.

### **Conclusion**

The Society for Orphaned Armenian Relief (SOAR) was established in the fall of 2005 to provide humanitarian relief to orphaned Armenian children and orphaned Armenian adults with disabilities. In CY2025, the Harold and Josephine Gulamerian Armenian Orphan Fund (GAOF) distributed \$400,000.00 to SOAR to support staff salaries/benefits; SOAR's Dental and Diaper Funds; SOAR's Mobile Eye Care Clinic; the Family of Fallen Soldiers Relief Fund (FFSRF); renovations at SOAR's Transitional Centers; and a variety of other projects. SOAR extends its heartfelt gratitude to the Foundation and to Mr. and Mrs. Louis and Yoland Mazzola for their generosity in 2025. If you have any questions about the institutions we serve or this report, please contact George S. Yacoubian, Jr., at (610) 213-3452 or by email at [gyacoubian@soar-us.org](mailto:gyacoubian@soar-us.org).
